DO'S AND DON'T'S FOR AUDITIONS

DO:

***Become familiar with the music.** Callbacks will be singing from the show, and you will have a better chance at a principal role if you know the show.

*Bring your completed audition form **INCLUDING ALL CONFLICTS** to your audition.

***BE HONEST ON YOUR AUDITION FORM!!!!!!!** If you only want to be cast as a specific part or nothing, say so. If you don't want to participate anywhere other than in the cast, say so. I respect your decisions and preferences as long as you are honest with me!

*Bring sheet music for your audition song. A cappella auditions **NEVER** go well and are discouraged. You may sing to a karaoke disc but **NOT** to a CD that already has vocals on it. If you are singing from the show, you don't need to bring sheet music.

DON'T:

*Tell us you're sick before you sing. If you have complete laryngitis, I'll hear it.

*Ask to sing with a friend. Even if you don't want a solo in the show, you need to have the confidence to get up and sing something short on your own.

*Try to figure out who we're going to cast or what we're thinking. You'll drive yourself crazy!

*Forget to have a good time! The audition process will be as stress-free as possible, so try to have fun with it!
