

Dear Parents of the 2017 Band, Color Guard and Percussion Students,
Welcome to the EPCHS Band & Color Guard! I hope this letter answers most of your questions you might have concerning the summer schedule and marching band in general.

- I have enclosed a current roster for Term I Band and Color Guard. We will be writing the drill after graduation. In order to insure the best drill design, we have to make sure that the roster information is accurate. If you have received this mailing by mistake, please contact Mr. Kazin right away. If you know someone who is NOT on this list that should be, also please send them our way! New members are welcome, but THIS is the time to get them involved.
- Drumline placement auditions took place in April & May. Congratulations my goal that every percussionist grows and does not stay on the same instruments all 4 years.
-
- The first rehearsal for **wind and percussion students** (including new freshmen) will take place on Monday June 19th from 4-7 p.m. at EPCHS (Enter on the 99th Street side, door N2). All music will be distributed during the week of June 19th. Please have a folio & a lyre for your instrument (purchased from any band instrument music store). School instruments will be issued during this time. See the enclosed sheet for a full rehearsal schedule.
- The drumline (not front ensemble) will have additional rehearsals from 1 -3 p.m. and continue at 4– 7 p.m. to teach cadences, fundamentals, technique, and music. See enclosed schedule for specific dates.
-
- The first rehearsal for **Color Guard students** is on Monday, June 19th from 4-7 p.m. at EPCHS. (Enter on the 99th Street side, door N2). Please dress comfortably, wear gym shoes, and bring water. See the enclosed sheet for a full rehearsal schedule.
- Note to Color Guard members: We will be learning the Opener routine in June and the majority of the rest of the show in August. Absences for any camp will set you far behind the group. PLEASE make camp rehearsals a priority during these weeks. Contact Amy Kazin if you have any questions.

All students will be fitted for Class B uniforms. (Show t shirt) Drill Master Shoes will also be needed for the parade and marching competitive season. see enclosed form if you need them or grew our of them. Please bring the forms and fees during the first day of camp.

- If you are in Band or Color Guard and cannot attend ANY PART of the camps in August, please notify me before graduation. As stated before, if you are not available for the drill camp, you will not be written into the show. A placement recommendation will be made by the director of bands.
-
- Before you come to camp, check out our website at www.epchsbands.org.

Other means of communication will be discussed at Band Camp #1

- **ATTENDANCE AT ALL SUMMER REHEARSALS IS IMPERATIVE FOR A SUCCESSFUL SEASON!**

The music is exciting and the talent level is great for this coming school year! Band is the ultimate team sport – there is no bench. Please contact us with any questions you might have.
