Lunch and dinner in the HLR Cafe will be provided for both students and directors, courtesy of SSC. **Any student or director requiring an alternative menu should bring one's own food.** Students and directors are required to remain at the festival the entire day.

Music and Equipment:

All participants are required to bring the following: instruments; music; mutes, reeds, mallets, sticks, and/or valve oil; pencils; amplifiers; and music mailed to directors. It would be nice if one drummer brings a set for the jazz band. The band room and theatre are not to close together. There is a ramp which will be used.

(Be aware that the stage is higher than many seats; therefore, *long* skirts or dresses are encouraged.)
